[Correspondence of the Sun.] WASHINGTON, June 8.-The whole tendency of political and social life at the capital is to discard simplicity, ig-nore honesty, and scoff at morals. All to eradicate this evil. It is, on the the old virtues which were once so much prized and respected have gone Remonstrance has been followed by out of fashion, and which four who still removal. So that the outrage on adhere to them are regarded as the morals must not only be endured, but fossils of a departed age. Shoddy, with its vulgar train, is in the ascendant is said out of office. Its great am imfamy in its worst form, that word bition is to affect the meretricions has lost all its maening. And yet it is display and sensual testes which prop-erly enough signalized the despotic, the President, his Cabinet, his bureau and degrading reign of Louis Na-chiefs, and Congress, to say nothing has worn male habilim ents and a poleon whose motte was bread and of the community which is a disgusted dorned the sex to which she now prop the circus, Paris, with all its gilded witness of these indecencies. crly belongs. The fact that she (of rather be) married a young lady accounts of decorum. Here vice is gross, for the non-publicity of the same flaunting and audacious. No re-

garded for her capacity to control men, her "fast" qualities, and her effrontery in society. The sterling attributes in the one case and the gentle virtues in the other are of no value in a social market, where everything is judged by standard of greenbacks, and real merit or distinction has no place. The example of the most prominent in public life has necessarily infected the THE PRESIDENT BE -BLESSET subordinate spheres, until the whole ystem has become rotten and deprayed.

When members of the Cabinet, Senators, Representatives, and officials are seen revelling in wealth, who only a few years ago were absolutely poor, and are courted as the leaders of fashon, it is easy to understand how the lependents on their favor will follow in the same devious paths and seek to attain position by the same unworthy methods. Success at any price is the brize held up before ambitious eyes, and the end justifies the means the moral lesson inculcated by daily example. A desire for parade has seized apon all conditions of life which radiate from the White House. And when this is not possible in a proper way, it s sought by others without regard to

he sacrifice of honor or duty. This fact serves to explain a large part of the corruption which has invaled every branch of the public service. t is to-day worse than that of any ther civilized country, because in one Savage and Osborn, the Commission orm of another the highest as well as ers appointed to inquire into the outcontrolled by sinister motives or sel-fish influences. Without a radical of courtesy, there was some incidental thange, there can be no effective rem- conversation relative to the results of dy. Even if the civil service quackery the inquiry. Under the above title I propose to publish first in newspaper, and subsequently in book form, a series of articles giving the war record of North Carolina from the election of Lincoln in Nov. 1869, to the close of the war between the States in May, 1865. My plan embraces throat divisions the States in May, 1865. My plan embraces three divisions

1st. Account of each skirmish and battle on the soil, or upon the waters of North Carolina 2d. Accounts of every battle fought during the war on the soil of any State, in whi hany of the troops of North Carolina took part espacial care being taken to show that those troops did and suffered in each of those battles, and what glory and renown our officers and mentaling won. tairly won.

34. "A Southern thart for all time." An explanation of the third division of the preposed plan will be submitted at a later day.

That I may successfully accomplish this arduens, but pleasing self-imposed work, I invoke the aid of all my brother soldiers, and ask them to furnish me material which can be arranged and digested so as to form a complete record of and digested so as to form a complete record of the heroic deeds of the sons of North Carolina ngon the battle fields of the Confederacy; and especially do I ask all who can write to furnish me details of every battle in which they partici-pated, and the part borne by their immediate commands. commands.

The time may not have come to write this por-The time may not have come to write this portion of North Carolina's History; but it has come to collect matter and arrange it for the use of the future historian. The living acto s will soon pass away, and much valuable information, unless gathered now, will be lost forever. Hence, after waiting for several years for ever. Hence, after waiting for several years for the command one mate commander.

some one mere competent to undertake the task. I have determined to devote the remaining years of my life to this labor of love for my mative State, or ill admiration for the gallant men who have thed imperishable glory upon her. Cuba and Lorto Rico, and call them representatives of these States, will be equivalent to ignoring their existence wilder the new arrangement. If Spain wishes to continue a Republic she must treat the people fairly.
